

# Aluminum Polesaws

4 Unique models | Varying extensions  
Protective scabbards | Improved Stiffness

## FEATURES & BENEFITS

- Available in 4 unique oval profiles for custom weight to height preference
- Kiru – Ultra light 13' model
- Sentei – Available in 16' and 21' lengths
- Nobasu – 20' heavy duty models with larger diameter poles for greater stiffness
- Features Silky's aggressive yet smooth cutting blades with protective scabbards
- Rigid aluminum construction resists bending
- Improved cam collar locks with rib lock protection
- Abrasion resistant, low-profile grip for enhanced control and ergonomics during pruning
- Quick connect saw head – no tools needed
- Sintung pruner head with 2" cutting capacity available for all models (purchase separately)
